

Available ONLY from VSSCo!

## Natural De-stressing & Calming plug-in diffuser

Plug in and you will notice a difference as the de-stressing properties are slow-released into the surrounding area

- A new and natural way of tackling stress and anxiety using slow release technology
  - A unique treatment of Valerian essential oil, blended with Vetivert, Basil Sweet & Sage
  - Just relaxes, but non sedating
  - Ideal for all pets including dog stress, cat stress, rodents, horses, all other mammals and birds
- (It will also have equally beneficial effects on humans!)*
- Coverage up to 60m<sup>2</sup> (650sq. ft)
  - Lasts up to 6 weeks
  - Refill packs available
